CHECK-LIST FAUNISTICA

I taxa sono riportati secondo ordine sistematico (Invertebrati, Pesci, Anfibi, Rettili, Uccelli, Mammiferi); all'interno di ogni tabella gli ordini o le famiglie sono in ordine alfabetico; all'interno di ciascun ordine o famiglia le specie sono a loro volta in ordine alfabetico.

Di ogni specie *target* viene riportato il codice identificativo (da data base regionale 2010).
